

**GRAMMY Award Winning Group  
All-4-One to Release New Album,  
*No Regrets*, on Peak Records September 15, 2009**

From the moment the chart topping acappella song "So Much In Love" hit the radio airwaves, the multi-platinum quartet ALL-4-ONE etched their place in musical history. In 1994, their follow up smash song "I Swear" instantly climbed the charts and held the longest running #1 single position in Billboard's history. Their success continued with the release of their next string of hits " I Can Love You Like That," " She's Got Skillz" and "Beautiful As You" to name a few . These four harmonious Grammy award winning artists, Jamie Jones, Delious Kennedy, Alfred Nevarez and Tony Borowiak, known collectively as ALL-4-ONE became a throwback to classic Motown era groups. It's been seven years since ALL-4-ONE's last album but they are ready to give their devoted fans another hit CD titled ***NO REGRETS***. *NO REGRETS* will be in stores on August 25, 2009 through Peak Records distributed by Concord Music Group.

Creatively, the album is a fusion of three elements, as Jamie Jones explains: "There's the classic pop sound for which we're known, a more contemporary side and then songs that reflect our love for old school R&B." The handclappin' track "I Luv That Girl," the catchy groove "Good Start" and the soulful classic "Old Fashion Lovin'" feature funky bass-tinged grooves while "Go" is a pulsating club cut that may surprise loyal All-4-One fans." Those who love the group for their perfection of ballads will fall for the evocative vocals on "If Your Hearts Not In It" and "Key To Your Heart". *NO REGRETS* is a musically diverse jukebox that showcases the quartet's dynamic vocal range and musical styles.

ALL-4-ONE WORLD premiered their new single, "My Child" at the Palazzo Resort-Hotel-Casino in Las Vegas, Nevada. Fans were clamoring for more of the group's powerhouse vocals and harmonies, qualities that established ALL-4-ONE as Platinum selling artists. This standout performance has the media now referring to the band as one of the most talented groups of all time. Without a doubt *NO REGRETS* is destined to be one of ALL-4-ONE's most successful albums - and 2009 IS their comeback year.
