## HYMN FOR MY SOUL

Nearly four decades after he thrilled the throngs at Woodstock, Joe Cocker remains one of rock's pre-eminent survivors, recording and touring prolifically and maintaining a loyal worldwide fan base. On *Hymn For My Soul* "The Sheffield Soul Shouter" delivers a stellar album that includes songs by Stevie Wonder, Bob Dylan, The Beatles, the Meters, John Fogerty, Percy Mayfield and more. The album was produced by Ethan Johns (Ryan Adams, Ray LaMontagne), the son of Glyn Johns, who was the engineer on many of Cocker's early albums. Fantasy has the exclusive U.S. release of this album, which contains the bonus track "Come Together," from the *Across The Universe* soundtrack.
