Unreleased Music From The First Three Films!

“Sure, the whip, the hat, the jacket are part of the Indiana Jones iconography. But what really gives Indy his heart and spirit is John Williams’ music.”

- Steven Spielberg

Beverly Hills, CA – On November 11, 2008 Concord Records will release *Indiana Jones: The Soundtracks Collection*. This limited-edition boxed set will include all four of Oscar-winning composer John Williams’ soundtracks for the Indiana Jones film series - *RAIDERS OF THE LOST ARK*, *INDIANA JONES AND THE TEMPLE OF DOOM*, *INDIANA JONES AND THE LAST CRUSADE* and this year’s summer blockbuster *INDIANA JONES AND THE KINGDOM OF THE CRYSTAL SKULL*. Exclusive to this set are expanded and remastered versions of the original soundtracks for the first three films. The set will also include a bonus CD featuring additional previously unreleased music from the films, as well as excerpts from interviews with Williams, director Steven Spielberg, and executive producer/story creator George Lucas in which they discuss the making of the music for these historic films.

Produced by Laurent Bouzereau, the boxed set will be presented in a handsome, embossed leatherette slip case with a full-color booklet that offers more than 25 pages of behind-the-scenes photos, storyboards and other memorable images from the films. This new set reintroduces and expands the first three iconic *Indiana Jones* soundtrack albums, which have been collectors’ items for many years.

“I’ve had the great honor and pleasure of visiting the behind-the-scenes of the four *Indiana Jones* films from several angles: first as a writer/director/producer of documentaries, then as a collaborator on a book chronicling the making of all four films,” Bouzereau says. “I felt I had come full circle when I was asked to collaborate on assembling expanded CD soundtrack albums for *Raiders of the Lost Ark*, *Indiana Jones and the Temple of Doom*, and *Indiana Jones and the Last Crusade*. The result represents a unique musical experience for listeners and fans of the now-classic film series that stimulates the imagination and makes you want to watch the films again.”
