MINDI ABAIR

Stars, Mindi Abair's new supercharged mix of pop, soul and jazz, featuring stellar melodies, insinuating rhythms, sultry sax and seductive vocals. This new CD puts her in a stand-alone category when compared to her contemporaries...and is not to be missed!

A great saxophonist, a terrific vocalist and an adept composer all adds up to one very talented artist!

Mindi Abair's debut CD, "It Just Happens That Way," debuted in the Top 5 on the **Billboard** Contemporary Jazz Chart and remained in the Top 10 for 19 consecutive weeks. The hit single "Lucy's" was #1 on the airplay charts for a record-breaking 8 weeks.

Winner of Best New Artist at the **2003 National Smooth Jazz Awards**.

Abair has toured and/or recorded with a wide range of artists including: **MANDY MOORE, JONATHAN BUTLER, LEE RITENOUR, BOBBY LYLE** and **KEB MO, THE BACKSTREET BOYS** and **DURAN DURAN**. She also opened for **JOSH GROBAN** on his 2004 sold out fall tour.

Stars represents a musical shift for Mindi; in addition to her signature sax sound, she has effectively integrated more vocals on this album.
